

ADULT RELIGIOUS EDUCATION
FOR SYSTEMIC CHANGE AT IMMANUEL

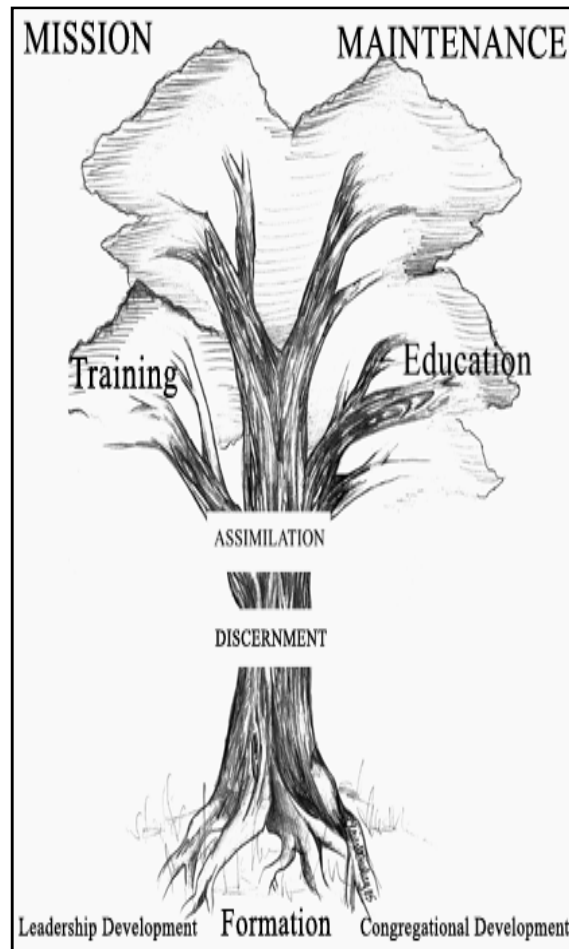

Rooted in God

Moving from Maintenance to Mission

- *What does it mean to be a church?*
- *What is our unique calling in God's work?*
- *Are we committed to our calling as a community?*
- *What are the gifts and qualities we have that can be developed to fulfill our calling?*

Each two hour session will explore these questions and more through Bible study, reflections, experiential learning and group discussion. Congregational formation recognizes that change is necessary. At this point in history, we need systemic change to grow and develop. Systemic change, "...involves discontinuity, a leap from one level to

another where a different set of rules apply.” Rooted in God gives a boost to a congregation taking this leap from a traditional, hierarchical church organization into the unknown future to which God calls us.

Ten two-hour sessions meeting twice per month beginning March 22 at 6:30 pm in the Chapel.
